WELCOME

SWYSH CHALLENGER 2026

THE CHALLENGER IS BACK.

Welcome to the second edition of the Swysh Challenger. We first held it in 2024, and it is built for the players at the heart of the game: beginners, intermediates and advanced amateurs, competing in rating-banded draws for ₹3,11,500 in prize money and PWR 200 ranking points.

This handbook sets out how the tournament runs: who can enter which event, how matches are played and scored, how prize money is paid, and how decisions are made.

By registering, you agree to play by these rules and to accept the decisions of Swysh and its officials as final.

ELIGIBILITY RULES

DUPR RATINGS

- 1.1 Every player must hold a DUPR account and give their **DUPR ID at registration**. Entries without a valid DUPR ID will not be accepted.
- 1.2 The Swysh team checks each player's DUPR rating **within 48 hours of their registration. The rating recorded by Swysh at that check is the rating used for eligibility for the entire tournament.** Any later change to that rating, up or down, does not affect eligibility. A player found ineligible for the event entered will be **disqualified and forfeit his or her registration fee**.
- 1.3 Singles events use the player's DUPR **singles** rating. Doubles and mixed doubles events use the DUPR **doubles** rating. A player with no singles rating is assessed on their doubles rating.
- 1.4 Band limits apply to **each player individually**. In doubles, both partners must be within the band. Combined or average team ratings are not used.

- 1.5 Players may play **up** into a higher band, never down. The upper limit of each band is its eligibility limit.
- 1.6 Players who are unrated, or whose rating has low reliability, are placed in a band by Swysh on its assessment of their level.
- 1.7 Swysh may move any player or team to a higher band, before or during the tournament, if in its assessment their level is clearly above the band entered. Any difference in entry fee is payable before their next match.
- 1.8 Holding more than one DUPR account, or any attempt to manipulate a rating, results in **disqualification from all events without refund**.

AGE

- 1.9 All ages are calculated as on **Saturday 14 November 2026**.

- 1.10 **Kids' Open:** players must be under 18, that is, born after 14 November 2008.
- 1.11 **40+ Singles (Unisex):** open to men and women born on or before 14 November 1986.
- 1.12 **40+/45+ Doubles:** one player **must** be 45 or older (born on or before 14 November 1981) and the partner 40 or older. A team in which both players are 45 or older is also eligible.
- 1.13 Players in age events must show **original government photo ID** (a passport or birth certificate for minors) at check-in. A player who cannot show valid proof of age will not be allowed to play, and no refund will be given.

GENDER

- 1.14 Men's events are for male players and Women's events for female players. Each Mixed Doubles team has one male and one female player. Women's Open events have no rating cap.

02 · REGISTRATION & ENTRIES

REGISTRATION & ENTRIES

- 2.1 Registration and payment are **only** through **Hudle**. An entry is confirmed only when the entry fee is paid in full.
- 2.2 Entry fees are **per entry**: per player in singles and per team in doubles, as listed on the Prize Money page.
- 2.3 In doubles, the player who registers the team is the **primary player**. If partners disagree on any registration matter, the primary player's request prevails.
- 2.4 Kids' Open players may also enter adult events for which they are eligible, subject to 6.4 and a parent or guardian's consent.
- 2.5 Swysh may cap the number of entries in any event. Places are confirmed in order of completed registration, and Swysh may close any event early once it is full.

- 2.6 If a partner drops out, the team may **change partner until 11:59 PM on Tuesday 10 November 2026**, for a modification fee of ₹150. The new partner must be eligible for the event and is confirmed only after Swysh verifies their DUPR ID. No changes are allowed after this deadline, and entries cannot be moved to a different event.
- 2.7 Swysh does not guarantee that a player's events will not overlap. Players entered in more than one event may have to play matches close together.
- 2.8 Players must give **accurate personal details, age and DUPR rating** at registration. A player found to have given false information, or to have deliberately misrepresented their eligibility, may be **disqualified from all events without refund**, at any stage of the tournament, with forfeiture of any prize money, trophies and ranking points.

- 3.2 Prizes are awarded on the **official results** recorded by the referees and the Tournament Director. Prize money is payable only to eligible players who have complied with this handbook.
- 3.3 In doubles, prize money is per team and is paid in **equal shares** to the two partners.
- 3.4 Each event needs **at least 8 entries**. An event with fewer entries may be merged with another event or have its prize pro-rated, at Swysh's discretion. Swysh will announce any merger or pro-rating before the draws are published.

- 3.9 A disqualified player forfeits all prize money, trophies and ranking points.

03 · PRIZE MONEY, TROPHIES & RANKING POINTS

TROPHIES, POINTS & DUPR

PWR 200 POINTS

FINISH	POINTS
Winner	200
Runner-up	150
Semi-finalist	120
Quarter-finalist	80
Round of 16	50

Points are awarded by the Indian Pickleball Association under the PWR 200 table.

3.10 Winners and runners-up of every event receive trophies, and both losing semi-finalists receive medals. Awards are presented at the prize ceremony and must be collected in person. They will not be couriered.

3.11 There is **no third-place match**. Both losing semi-finalists finish joint third.

RANKING POINTS

3.12 PWR points are awarded by the IPA. The allocation, eligibility and timing of points are decided by the IPA, and Swysh is not responsible for them. Round of 16 points apply only where an event's draw has a Round of 16.

DUPR

3.13 Every match is submitted to DUPR. Swysh is not responsible for how DUPR calculates or updates any rating.

TOURNAMENT FORMAT

GROUP TIEBREAKERS, IN ORDER

- 1 Matches won
- 2 Head-to-head result, when two entries are tied
- 3 Point difference across all group matches
- 4 Total points won across all group matches
- 5 Draw of lots by the Tournament Director

- 4.1 When three or more entries are tied, criteria 3 and 4 are applied first. If the tie is reduced to two entries, their head-to-head result decides.
- 4.2 A walkover counts as a win by 11-0. If an entry withdraws or is disqualified during the group stage, all its group results are void.
- 4.3 Draws are published on **Thursday 12 November** and are final once published, except for changes Swysh makes because of withdrawals or merged events.

— 05 · SCORING & MATCH FORMAT

SCORING & MATCH FORMAT

GOLDEN POINT

GROUP STAGE

One game to 11. At 10–10, the next point wins the game.

WIN BY 2

SEMI-FINALS · FINALS

One game to 11, won by 2 points, capped at 15. At 14–14, the next point wins the game (golden point).

5.1 All matches use **side-out scoring (service points)** under the IPA rulebook: only the serving side can score.

5.2 Every match is **one game to 11**. Ends are changed when the leading side reaches 6 points.

5.3 Each match has a **2-minute warm-up**.

5.4 Each side has two 1-minute timeouts per game. Unused timeouts do not carry over.

5.5 A **medical timeout** of up to 10 minutes may be granted once per player per match, only by the referee or Tournament Director after assessment. Cramp and fatigue do not qualify.

5.6 A player or team that retires from a match loses it. The score at the time of retirement stands.

5.7 Swysh may change the scoring format of any round when needed to keep the tournament on schedule. Any change is announced before the round begins and applies equally to every match in that round of the event.

06 · SCHEDULE & MATCH DAY

SCHEDULE & MATCH DAY

- 6.1** The schedule is **tentative**. Swysh may move any event or match to a different day, time or court.
- 6.2** Report to the check-in desk at least **30 minutes** before the first scheduled match of your event, with your photo ID.
- 6.3** Match times are a guide. A match may be called up to **60 minutes earlier** than its listed time, so players must stay at the venue while their event is in progress.
- 6.4** Matches are called at the control desk. A player or team not on court within **10 minutes** of being called loses the match by walkover. In doubles, both players must be present.
- 6.5** Court assignments are made by Swysh. Requests to change courts will not be considered.
- 6.6** Players must wait in the players' area and must not enter a court until their match is called.

07 · RULES OF PLAY & EQUIPMENT

RULES OF PLAY & EQUIPMENT

- 7.1 Play is governed by the **official IPA rulebook** (current edition), except where this handbook says otherwise. Where the IPA rulebook is silent, the USA Pickleball Official Rulebook (2026) applies.
- 7.2 Only tournament balls supplied by Swysh may be used.
- 7.3 Paddles must appear on the approved paddle list recognised by the IPA. Officials may inspect any paddle. A non-compliant paddle must be replaced immediately; a player who cannot replace it forfeits the match.
- 7.4 Both the volley serve and the drop serve are permitted, as set out in the rulebook.
- 7.5 A serve that touches the net and lands in the correct service court is **in play**. There are no service lets.

- 7.6 A ball that touches the ceiling, lights or any overhead structure is a **fault** against the team that last hit it.
- 7.7 If a ball cracks or breaks during a rally and the referee confirms it, the rally is replayed. Claims made after the next serve are not considered.
- 7.8 Players must wear sports clothing. Swysh may ask a player to change a shirt that matches the colour of the ball.
- 7.9 Coaching is allowed only during timeouts and between games, never during a rally.
- 7.10 Mobile phones and other electronic devices may not be used on court during a match, except medical devices.
- 7.11 Every player is responsible for knowing the rules, the match format and the score.

OFFICIAL BALL

OFFICIATING & PROTESTS

OFFICIALS

- 8.1 Every match at the Swysh Challenger is officiated by Swysh referees.
- 8.2 The referee's decisions on all judgement calls, including faults and line calls, are **final and cannot be appealed**.
- 8.3 Players must follow the **referee's instructions** at all times.
- 8.4 There is **no video review**. Recordings by players, spectators or the livestream are not considered for any decision.

SCORE

- 8.5 The referee calls the score before each serve and keeps the official score. A disagreement about the score must be raised with the referee before the next serve.
- 8.6 At the end of each match, both sides confirm the result with the referee. Once confirmed, the result is final.

APPEALS & PROTESTS

- 8.7 During a match, a player may ask the Tournament Director to rule on how a rule was **applied**, but not on a judgement call. The Tournament Director's ruling is final.

- 8.8 A formal protest about eligibility or the interpretation of a rule must be made **in writing** to the Tournament Director with a protest fee of **₹1,000**. Eligibility protests must be made before the match begins; all other protests within 15 minutes of the match ending. The fee is refunded only if the protest is upheld.
- 8.9 The Tournament Director's decision on a protest is **final and binding**, with no further appeal.
- 8.10 Only players may make appeals or protests. Parents, coaches and spectators may not approach officials during or about a match.

CODE OF CONDUCT

PENALTY SCALE

STEP 1 WARNING

- 9.1** Players must uphold the highest standards of **sportsmanship** and respect opponents, partners, referees, volunteers, spectators and venue staff.
- 9.2** Misconduct includes abusive language, swearing, obscene gestures, threats, harassment, ball or paddle abuse, arguing with or abusing officials or staff, deliberately wrong line calls, deliberately delaying matches, interfering with other matches, cheating, manipulating scores, misrepresenting eligibility, damaging venue property, and any behaviour that brings the game or Swysh into disrepute.

STEP 2 TECHNICAL WARNING

STEP 3 TECHNICAL FOUL

- 9.3** Penalties normally follow the scale above, under the IPA rulebook. The Tournament Director may impose any penalty at any stage, including **immediate disqualification without warning**, depending on how serious the misconduct is.
- 9.4** Disqualification removes the player from all events, with forfeiture of entry fees, prize money, trophies and ranking points.
- 9.5** **Zero tolerance:** any player under the influence of alcohol or drugs, or consuming them at the venue, is disqualified immediately.
- 9.6** Any betting on matches, or any attempt to influence a result, leads to disqualification and a report to the IPA.

STEP 4 MATCH FORFEIT

STEP 5 DISQUALIFICATION

- 9.7** Players are responsible for the conduct of their coaches, family and guests. Swysh may remove any person from the venue.
- 9.8** Anyone who damages tournament equipment or venue property, deliberately or through negligence, must **pay for the damage**.
- 9.9** Any **physical confrontation**, or physically intimidating any person, leads to **immediate disqualification** and a complaint to the local police authorities. Swysh may also bar any player from future Swysh events and report misconduct to the IPA.

- 10.7 If an event is cancelled for lack of entries and not merged, entrants receive a **full refund**, with no cancellation fee, or may transfer to another event for which they are eligible.
- 10.8 If an event is merged, entrants may play in the merged event or withdraw from it with a full refund of that event's fee. They must inform Swysh before the draws are published.

SWYSH'S RIGHT TO CANCEL OR MOVE

- 10.9 Swysh may, at its **sole discretion** and at any time, cancel, postpone or reschedule the tournament or any event; change the venue, dates, timings, format, schedule or courts; or merge, split or withdraw any event. Swysh need not give reasons, and **no participant may object to or challenge** such a decision.
- 10.10 If the tournament is postponed or moved, registrations carry over to the new dates or venue. A participant who cannot attend may request a refund of their entry fee.

- 10.11 If Swysh cancels the tournament entirely, the entry fee is refunded. This refund is the participant's **sole remedy**; Swysh is not liable for travel, accommodation, time off work or any other loss.

FORCE MAJEURE

- 10.12 Swysh is not liable for any cancellation, postponement, interruption or failure to perform caused by events beyond its reasonable control, including natural disasters, extreme weather, flood, fire, epidemic, government orders or restrictions, civil unrest, strikes or bandhs, power failure, unavailability of the venue, or failure of the registration or payment platform. In such events Swysh may cancel, postpone, shorten or modify the tournament, and its decision, including on any refund, is **final and binding**.
